# NORTH

---

To-day will usher in another year of football, with its share of triumphs and defeats and giving as a reward the coveted honour of premiers for 1948.

New players who will make their appearance in the senior team to-day are: Bert Budden, a product of Army football; Ned Davey, Bill Mackenzie, Jack Dewey, Henry Davis, from our reserve grade team of last year, and Bob Kay, who played with our third grade team last year.

To those who missed gaining selection or did not receive the grading they desired, we ask them not to be disappointed but to carry on playing and training with the confidence that they will be ready to take their place in a higher team when their chance comes, as it will.

Your committee wish to take this opportunity of wishing every player in all grades every success in the coming season.

Remember also, boys, that the first game is always the hardest to win, so that means you have to give that little bit extra.
