---

Firstly, congratulations to West on their hard-earned victory over us last week. Perhaps we may meet again before the season ends to prove who is the better team.

Charlie Gill showed that he is quite recovered from his injury by turning on an extra good effort last week,

Bruce Stokes played perhaps his best game last week. This little fellow can certainly take it.

Our young lady supporters are very enthusiastic about the "Cornel Wilde" hairdo being cultivated by one of our Reserve Grade centres. Incidentally, he scored two tries last week.

We meet the Lakes to-day, and at the time of writing our team is doubtful because of injuries, but patrons can be assured we will avenge our first-round defeat—in fact, we have to. So, turn it on boys, and good luck.

—RANDOM.
