NORTH

Congratulations are extended to the Senior team for their brilliant exhibition of football last week. The way they threw the ball about was football at its best.

Ron Crossley is to be congratulated on scoring his 100 points for the season. Ron is certainly proving a match-winner with the boot. Let us hope he has the right one on to-day.

Jack Dewey and Bill Mackenzie are developing a wonderful sense of understanding; some of the openings they made last week were classical.

Ken Robertson has certainly struck form. His play in the last two matches has been of the highest. Keep it up "Blue," we will need it all in the games to come.

Well boys, to-day's the day, as victory will see you minor premiers, and you all realise what that means. It has been a long time since North were in a position to become minor premiers.

As this is our last competition game, the officials and committee wish to take this opportunity of thanking all the players for the wonderful co-operation they have given throughout the season and wish those players who will be participating in the semi-finals the best of luck in the coming matches.

Well boys, the extra best of luck today, and extra good scoring.
