AROUND THE CLUBS

J. Cunningham is to be commended on his courageous display against Kurri when totally blind in one eye. He resumed after the interval to help his team win its vital match.

Congratulations are in order to that grand sportsman Nev Quinn, who today will play his 100th first grade game with the South Club.

Cessnock reserve grade hooker, A. Scott, last week was promoted to the senior team in place of injured Nev Crosdale and turned in a great performance. Allen not only gave his team a fair share of the ball, but played a wonderful game in the rucks.

Winning ticket in Toronto's competition last Saturday was ticket No. 10539 which to date has not been located. Mr. R. Smaller, c/o. I.P.I. held winning ticket No. 7574 in comp. last Saturday week.

George Mead, Waratah forward, is now showing the form that made him a good prospect last season. This player has forced his way back after an uncertain start, but to his credit he wasn't too proud to go back to reserve grade.

We hope Russ Naughton of Lakes will soon be back in fine kicking form after his recent injury in the game against Cessnock.

Cessnock Club held a meeting last Sunday morning for the purpose of forming a League's Club and there was a very good attendance. Anybody interested in becoming a member is asked to contact Colin Springbett.

Maitland third grade player Peter Tegg, again played an excellent game at Cessnock. His try was one of the best scored by this team this season.

Jim Beddow, Kurri's utility player, plays his 100th first grade game for the Club today. Jim like Doug Chapple, is a fine player and gentleman "on and off" the field. He began playing grade football with Kurri in 1953 and has represented Newcastle in the Country Week trials during this period. Jim is reputed to be one of the best defenders in the district and for the honour of playing 100 first grade games, the Kurri Club will present him with a blazer at the end of the season.

Norths winger Ray Hunter showed his worth as a goal kicker with three fine goals last week. Ray was recognised as an extra good kick in his junior days at District Park.

Maitland has gained a very promising centre from the Junior ranks in Warren Bell. His two good tries paved the way for a Maitland victory last Saturday.

Garry Dougherty has now scored 117 points for the season with Wests —51 points with Reserves and 66 with Seniors—nice going 'Doc'.

Two South boys showing improved form, Gordon Doyle and Colin Corbett, both these boys are hard working forwards.

Today Kevin Geelan plays his 100 (99 Senior, 1 reserve) games for Maitland. Kevin has been the regular first grade full back since 1954, missing only season 1959. He has represented on eight occasions in grade he has scored 23 tries and kicked 303 goals.

The Kurri 6.7 schoolboy team were successful for the second successive year in winning the P.S.A.A.A. All-Schools Carnival in their division at Muswellbrook last weekend. This is a magnificent effort by these lads and a credit to coaches, Messrs. Jack Beamer and Charles Hughes.

Stuart Ebrill a new comer to South has been showing good form in the thirds, no doubt Uncle Keith Dick will be passing on advice.

Robbie Mace of Norths played his best game last week, scoring a try by fine backing up and making another.

The player who really played the good game for Waratah last week was Ronnie O'Connor. Although shy and quiet off the field, he really lets go when the game is on, thanks to the encouragement of girl friend, Irene.

A player who has shown good consistent form throughout the season is Cessnock's third grade lock forward Jim Peek. Recently this popular young chap became engaged and all Cessnock followers join in wishing Jim and his future wife all the best.

West lucky number competition, last week, was won by Charlie Brown of Wallsend, with ticket No. 7689.

Speedy winger Arthur Hughes from Waratah, always seems to be able to score a brilliant try or two every week. Given a yard to move this player becomes one of the most dangerous wingers in the game.
