Although we were defeated last week we are going to make amends this week and prove our form of last week all wrong:

Players worthy of mention last week were:—

LES GILBERT, who gave a faultless display, and a maintenance of this form we are sure will see Les the rep. full-back this year.

BILL BLICK was another who gave of his best last week and was unlucky in not scoring under the sticks a try, which I think would have made victory possible.

DOUG. McGAW was our best forward last week. In fact, he played football as it should be played by forwards. Tight and hard. Keep it up, Doug!

Congratulations are extended at this stage to Ernie Eyre, on his election by his team-mates to the position of Captain, and also to Danny Jones, who was elected Reserve Grade coach.

A pleasing feature of last week's football was the excellent form shown by our Reserve Grade side. Prominent players were Jim Oates, Cocky Parrott and Bill McKenzie.

Well, boys, we want this one today! So, good luck!
